A 3% processing fee will be added to all credit card transactions.

Notes:

The upholstered sofa is approximately five (5) or more years old and exhibits visible signs of wear consistent with age and regular use. This includes body oil accumulation, fiber wear, prior use of household cleaning products, and water ring staining. Due to these conditions, some areas may not respond fully to professional cleaning methods. While every effort will be made to improve the overall appearance, certain stains, discoloration, and wear patterns may be permanent.

Thank you for your business!
